

## Give the gift of art!

Whether you're needing a card to stand on its own or accompany a gift— *or perhaps you'd like to get a set of multiple cards*— I have some beautiful options for you!

My paintings have been carefully reproduced and printed onto 5.813" x 4.125" premium cards that are left blank inside for your special message. They come with elegant 80# White Euro flap envelopes, and are packaged in a clear resealable sleeve or a clear box (single cards and sets of 6 or 8 come in a clear sleeve, while sets of 12 or 16 come in a clear box). The best part is, you may choose the cards you'd like to have in your set of 6, 8 or 12. A complete set of all 16 paintings is also available (1 of each painting).

Thank you for your patience with my new order form. It is still in the development process, (and I welcome any feedback). For now order totals will have to be calculated by hand. Shipping will be determined upon weight (usually \$3 - \$5), so will vary by order. I am happy to calculate the totals and bill you when I ship. I gladly accept cash and checks, (as well as credit cards and paypal). Thanks for your order!
